## **BULA! FIJI IS OPEN FOR HAPPINESS!**

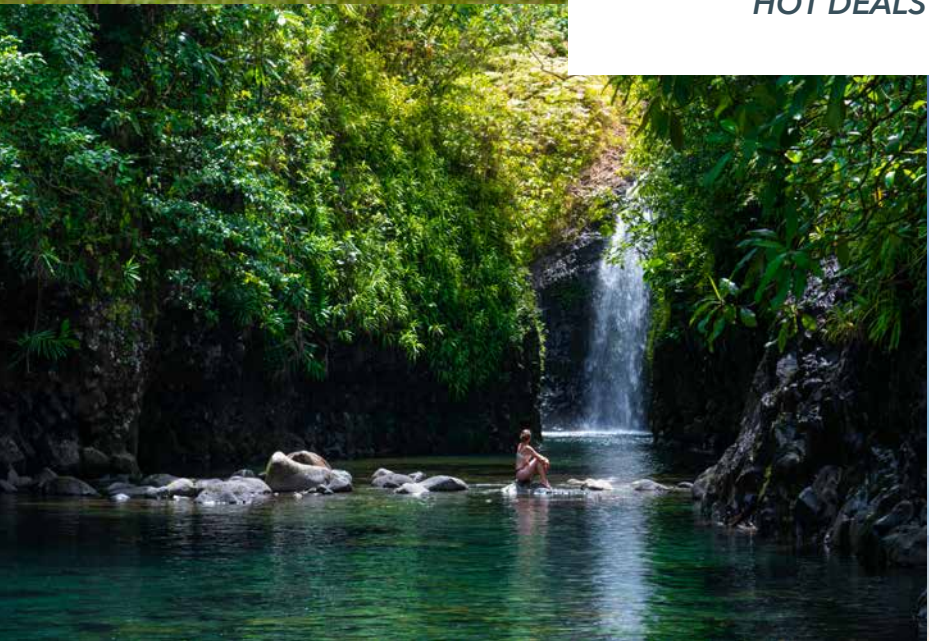

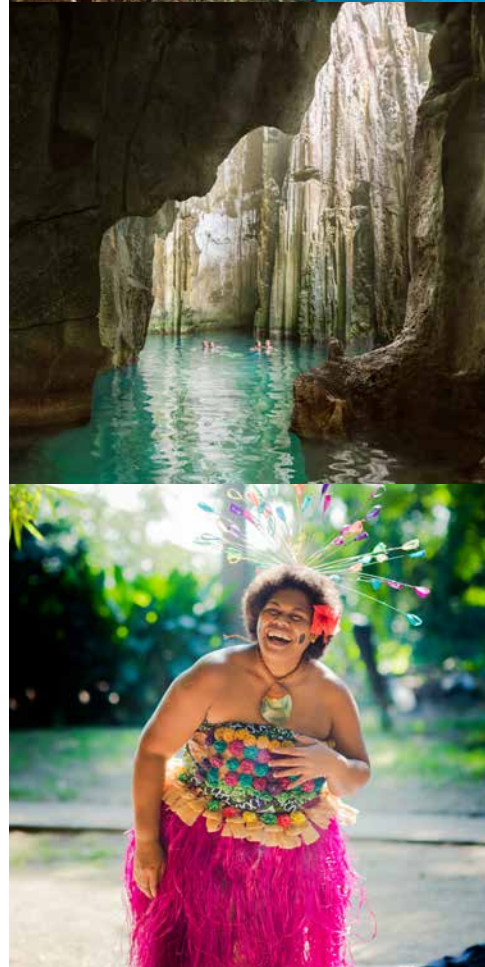

With 333 islands, white sand beaches and year-round tropical warmth, it is hard not to feel happy in this Pacific Island nation.

So if you're looking for a romantic getaway, an adventure-packed escape, or you just want to lie on the beach and order from a menu, you'll find it in Fiji.

In this new world we live in, it's nice to know there's still a place where you can find true happiness.

# COVID-19 REQUIRMENTS

With more than 90% of Fiji's adult population now fully vaccinated, Fiji can safely welcome fully-vaccinated visitors from Travel Partner countries back to our shores.

Read below to find out what you need to know to have a safe and relaxing holiday in Fiji.

## Please produce proof of the following at the airport before your departure for Fiji:

- Are from or have stayed in a Travel Partner country for at least 14 days before travel.
- For travellers (18yrs+): digital/paper certification of full-vaccination at least 14 days before travel. Fiji currently recognises Astra-Zeneca, Pfizer, Moderna, and Johnson & Johnson vaccines only. Travellers can be accompanied by their unvaccinated children.
- Effective from **9 February 2022**, travellers from Australia aged 12 years and above can now produce either a negative PCR or RAT test to enter Fiji.
- PCR tests must be taken no more than 2 calendar days prior to scheduled day of departure. This applies to anyone disembarking in or transiting through Fiji. Your negative test must have a specimen collection date no more than 2 calendar days before your flight's departure (or first flight in a series of connections booked on the same itinerary).
- PCR tests must be taken by a travel test provider (hospital, doctor, lab) and be performed by nasopharyngeal, nasal or mid-turbinate specimen collection methods. Drive through tests and SMS text results will not be accepted.
- RAT test must be taken no more than 24 hours prior to the commencement of the journey. RAT test results can be paper based or electronic and must show:
  - Traveller's name and date of birth
  - Test result - negative, or "not detected"
  - Method of test - ie RAT, or if chosen PCR or NAA test
  - Type of specimen collected
  - Brand and manufacturer of the RAT test
  - Date of test and that the test was carried out under the supervision of, and signed by, the authorised person.
- Test must be undertaken by or under the direct supervision of a medical practitioner - e.g. pharmacist, general practitioner, nurse, pathology collector or trained personnel at airport based testing station.
- A confirmed minimum 3-night booking with a CFC certified accommodation and confirmed approved transfer from the airport.
- For travellers entering Fiji for a holiday: medical travel insurance, with international coverage that covers COVID-19 before travelling.

## While in Fiji

- For travellers (12 yrs+): In country Rapid Antigen testing will take place 48hrs after your arrival in Fiji. If you transit through Nadi overnight, Please arrange this with your next hotel.
- Within this 48- hour timeframe you can travel around Fiji quarantine-free provided you exclusively use CFC approved partner. This means that you can enjoy your hotel's facilities , tourism experiences and restaurants, book a daytrip adventure or transit to a CFC-certified hotel on another island. CFC approved business will ask for QR code check-ins and proof of vaccination.
- If you explore Fiji, ensure you download the careFIJI app before your arrival, keep bluetooth turned on and avoid low vaccination areas where possible.

## Leaving Fiji

- Depending on your country's entry requirements, you will need to record a negative test result to return home.
- In Fiji, costs for a Rapid Antigen Test starts from FJD\$30 but some countries require an RT-PCR test which starts from FJD\$150.
- All testing requirements in Fiji will be managed at your hotel. Speak to them about your tests when you check-in.
- If you intend to stay with family or friends in Fiji after your first 3 days in Fiji, you will need to book your required PCR tests to return home at locations outside a hotel.
