

REDISCOVER SINGAPORE

IT'S TIME!

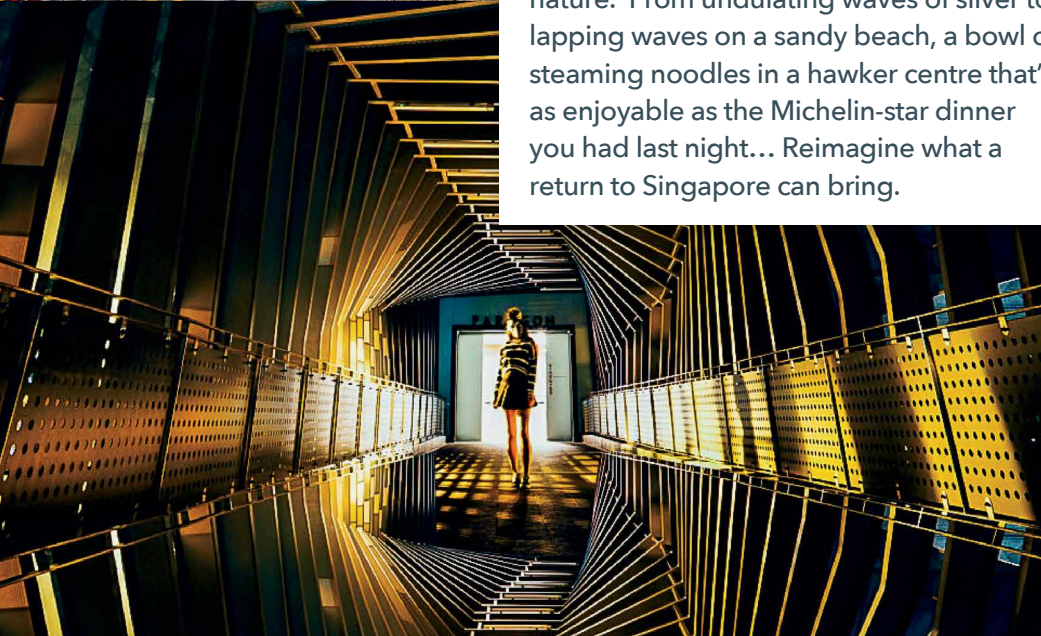

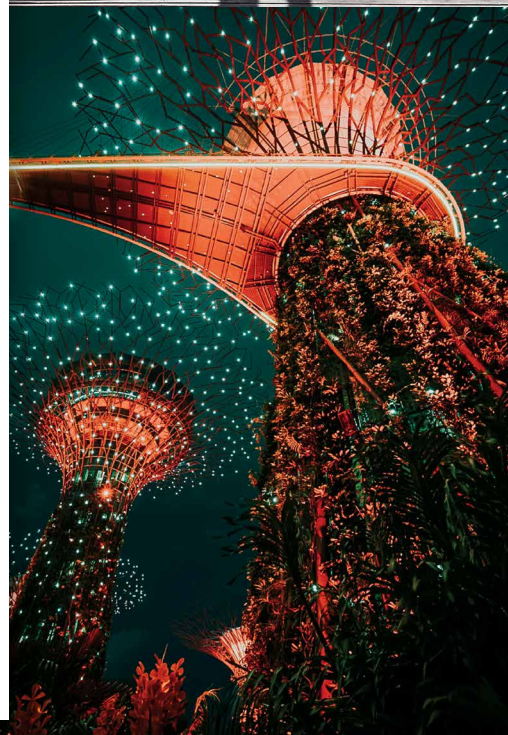

Time to dust off your suitcases and return to a destination where over a million Aussies visited every year!

Time to revisit cultural neighbourhoods, eat that plate of chicken rice, sip that cool drink. Time to re-explore familiar haunts, and also discover many new ones!

When most of the world ground to a halt, Singapore with the reputation of constantly innovating, did not. New hotels, attractions, restaurants, and watering holes, and old favourites are all primed and waiting to be rediscovered.

For those who'd like a gentle reminder of what you've been missing: remember those giant trees that seemed to pulse as colourful lights danced across them every night to rousing music? Or that amazing view from that rooftop bar with refreshing cocktail in hand? Remember the clean streets, friendly locals, hidden bars, how everything stays open till late, and the easy way to get around the city?

It's now time to rediscover the destination that boldly offers up contrasts: old & new, east & west, urban metropolis & a city in nature. From undulating waves of silver to lapping waves on a sandy beach, a bowl of steaming noodles in a hawker centre that's as enjoyable as the Michelin-star dinner you had last night... Reimagine what a return to Singapore can bring.
